

➤ **MHA support in  
delivering Local  
Highways Authority  
(LHA) capital  
programmes**

# MHA support in delivering LHA capital programmes

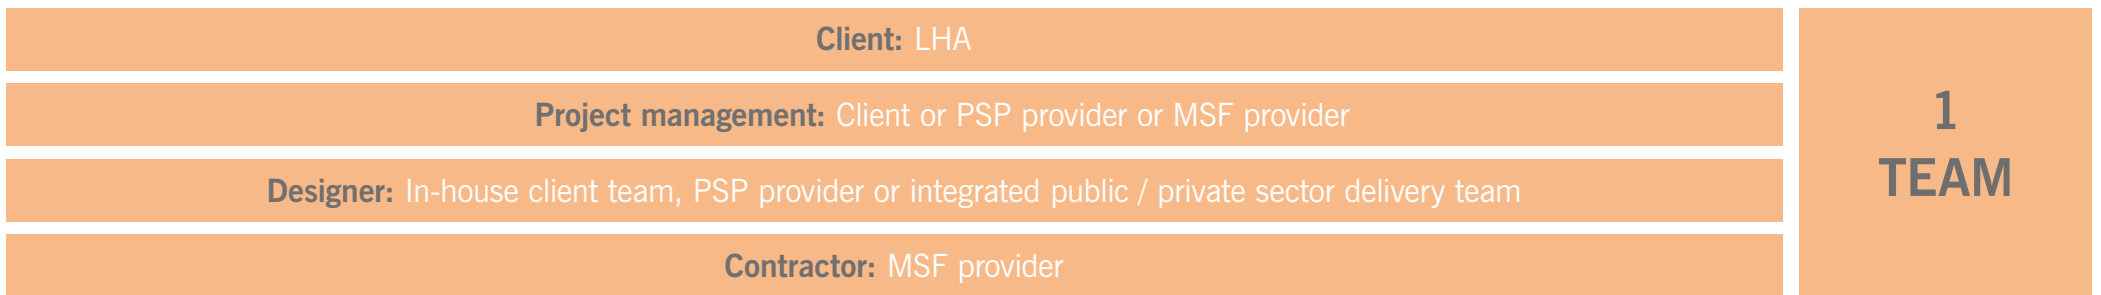

## Key benefits

- » Construction 2025 target - reduced end to end delivery times using the MHA's Professional Services Partnership and Medium Schemes Framework contracts
- » Construction 2025 target - reduced costs from procurement savings and streamlined delivery
- » Efficiency savings - Early Contractor Involvement (ECI), lean integrated delivery team and shared objectives

EARLY DESIGNER INPUT AVAILABLE VIA PSP

EARLY CONTRACTOR INPUT AVAILABLE VIA MSF

- Integrated concept to completion delivery team
- Continuity of team and project management
- BS11000 collaborative relationships for efficient and effective delivery
- Training and experience opportunities for LHA staff with PSP and MSF providers
- Utilising the best strength of each partner, client / LHA / PSP / MSF and avoiding duplication
