➤ Learning Management System (LMS)

- The LMS has been developed to help you to access learning, training and development opportunities to support acquisition of skills, knowledge and understanding. You can access e-learning modules within this site, most of which are free of charge. You can book yourself onto face to face learning events - all your learning is recorded in your personal learner record.

e-learning modules are available on core subjects including:

- » Introduction to the TSC
- » Introduction to the ECC
- » Asset Management Toolkit

The learning gateway is constantly undergoing development and updated with new learning opportunities - provided by the MHA skills community, sector partners and our members, so login regularly to get the most from this free site.

“The site also hosts helpful resources, reference documents and links to other useful sites - so ensure you and your colleagues are registered.”

How to register

- Click on '**REGISTER - new user click here**', use the drop down box to select your organisation and training.
- Click on '**REGISTER**'. You will be asked to complete a form with details of where you work and your contact information.
- You will then be sent an email confirming your registration.

REGISTERING
ONLY TAKES A
FEW MINUTES
AND IS
COMPLETELY
FREE!

The screenshot shows the Virtual College learner dashboard. At the top left is the MHA logo (Midlands Highway Alliance Driving Collaboration). At the top right is the Virtual College logo. Below the logos is a navigation bar with 'Home', 'Virtual College', 'Help & Support', and 'Logout'. The main content area has three tabs: 'Active Learning', 'Completed Learning', and 'Requested Learning'. Under 'Active Learning', there is a table with columns for 'Title' and 'Type'. A callout box points to the 'Active Learning' tab with the text 'Click here to view your assigned courses'. Another callout box points to the 'Requested Learning' tab with the text 'Click here to view the list of available courses'. A third callout box points to the 'Requested Learning' tab with the text 'Click on the tabs to navigate around your learner record'. On the right side, there is a 'Learner Profile' section with a 'Click here to view your learner profile' callout. Below the profile is a 'Messages' section with a callout box that says 'Click here to see other resources and links available'. The footer contains the copyright notice: 'Copyright © 1995-2016 Virtual College Group PLC | All Rights Reserved'.

This is your learner account, you can access learning, training and development opportunities here
