

Annex C Fees and Subscriptions March 2020

The level of fees will be reviewed annually in March by the MHA+ Executive Board as part of its approval of the MHA+ Annual Business Plan.

Annual Subscriptions

- The subscription rate (2020/21) for all members is £3,750/annum.

Framework and other fees:

- For all users of the **Medium Schemes Framework 3** the fees are related to the value of the work order at the start of construction which will be 0.25% with a minimum fee of £2,500 and a maximum fee of £50,000.
- For users of the **Professional Services Partnership 3** the fee is a standard 1% of the total value of work charged through the framework. This fee has been included in the rates provided by the framework suppliers. The Alliance will recover this amount by invoicing each supplier on an annual basis for 1% of the agreed value of work that has been carried out by that supplier over the financial year.
- Generally, fees for **all other activities** (e.g. commodity purchase) will be based on 10% of the predicted savings for members of MHA and, where appropriate, 15% for non-members.

Usage Discount:

- To encourage the use of the Medium Schemes Framework, the annual fee for an authority will be discounted by the amount of the framework fee due from that authority usage of the Medium Schemes Framework. The maximum discount per year will not exceed the annual fee.

Payment

- The MHA finances are managed by Leicestershire County Council, and all invoices will be raised via its financial system.
- Annual subscriptions are due to be paid by 31st March at the end of the year they are due.
- Fees for use of the Medium Schemes Framework become due when construction work begins.
- Payment of other savings, such as those from *commodities*, are payable when the saving has been made.
