

## e-update March 2018

### **MHA Framework helps partners despite Carillion disruption**

The news of Carillion's insolvency was received nationally with both shock and sadness.

Closer to home, the Carillion/Tarmac Joint Venture has been part of both the Medium Schemes Framework 1 and 2 and Carillion's collapse could have easily had a major impact on many schemes.

However, through MSF2, the provisions of the agreement provided for Tarmac to continue the work of the Joint Venture.

Thanks to Tarmac's hard work, we are pleased to report that work on both the A50 Growth Corridor at Uttoxeter and the FARRRS Phase 2 development for Doncaster have continued with only minimal delay.

### **MSF2 CIHT awards and MSF3 update**

The MHA has entered this year's CIHT awards, applying for entry in the Collaboration Category.

The MHA holds the MSF2 as an exemplar of the high level of collaboration between its 21 local authority members and framework contractors and hopes to see this recognised as such by the awarding body.

Work around MSF3 continues to progress and we will continue to update everyone on the progress via these e-updates and website updates.

### **Upcoming learning events**

#### **NEC3/NEC4 compared – virtual learning module**

Over the last year there have been a number of opportunities to attend a learning event on NEC3 and NEC4 compared.

The session was designed for users of NEC3 contracts, showing comparisons between the NEC3 Engineering and Construction Contract and the NEC4 Engineering and Construction Contract (ECC).

**For those who could not make these events – there is a virtual learning module on offer – apply via the [MHA Learning Management System](#).**
