

## Special Annual Event e-update October 2017

### MHA event celebrates 10 years

The MHA annual event held at the De Vere Jubilee Centre in Nottingham celebrated the MHA's 10<sup>th</sup> anniversary.

Speakers from ADEPT, Midlands Connect, Department for Transport and many more all gave talks to a sell-out crowd of more than 100 people.

For those who couldn't make the event and those that did who are keen to look at the presentations and materials from the day, they are now available on our event page on the website.

Similarly, we would also like to encourage those who attended the event and didn't have a chance to fill in their feedback form to do so by downloading the form also available on our events page [here](#).

### Annual Report

Guests at this year's annual event also received a copy of the MHA annual report 2016/17 as part of their delegates pack.

As the MHA enters its tenth year, the report highlights how the MHA continues to contribute to the success of its members. Key achievements include:

- The delivery of the £250m Medium Schemes framework and the £30m Professional Services Partnership
- How our bespoke Learning Management System is now being used to manage learning, training and development across the MHA community
- The significant savings generated by the frameworks - an estimated overall saving of around £4m per year

The annual report is available on the MHA website [here](#)

### Upcoming Event: NEC 3 Engineering Construction Contract

These are one day workshops covering the practicalities of applying some of the collaborative management processes that are an essential part of the ECC.

Delegates will be provided with invaluable practical guidance on managing an NEC3 ECC Option C contract within the Midlands Highway Alliance Framework.

### **NEC4 transition: how to move from NEC3 to NEC4**

MHA is keen that our members and framework contractors are made aware of what NEC4 can offer. MHA is planning a virtual learning module and half day sessions focusing on

- How to prepare yourself and your team to work with the new contracts
- What has changed from NEC3 and how to address it

Keep an eye on the MHA website listed below for further updates on training and courses.
