

## **PSP3 roadshows**

The MHA's Professional Services Partnership 3 was awarded on the 29<sup>th</sup> April. It replaced the previous framework PSP2, which was used by every member authority of the MHA and delivered £60 million of services over the 4 years it ran.

PSP3 differs from PSP2 in that PSP2 was a single supplier framework, whereas the new framework has 4, two for professional services and two for secondments. More details can be found on the MHA website
