

Paving the way to
greener infrastructure

Company Overview

**National Specialist
Recycling Contractor**

**Highway Waste Solutions
Operator of Own Recycling Hubs**

**Value Engineering and
Low Carbon Asphalt
Innovation**

Local Authority Contracts (TMC's):

- Devon
- Somerset
- North Somerset
- Oxfordshire
- Hampshire
- Cambridgeshire
- Lincolnshire
- Northumberland
- Medway

Tier 1 Clients:

- Milestone Infrastructure
- Volker Highways
- Kier
- Amey
- Balfour Beatty
- Colas

Aggregate Co Clients:

- Aggregate Industries
- Tarmac
- Breedon
- Colas
- Hanson
- Cemex
- Day Group

Midlands Highway Alliance Plus

MHA, MSIG, WMHA: Moving Forwards Together

Products

- Foambase® - CRBM SHW cl.948 and BS9228
- HBM – SHW 800, BS 9227 and BSEN14227
- SMR Regen® - HBM solution to the utilities sector – SROH 4th Edition and BS EN 14227
- Recycled aggregates

Services

- Circular Solutions
- Value engineering
- CO₂ benchmarking and reduction
- Recycling and reuse of Asphalt waste containing coal tar (AWCCT)
- Technical support
- Specialist treatment supply chain
- Crushing and screening
- Waste management

Paving the way to
greener infrastructure

Recycling Highways Wastes

Concrete and Mixed C&DW
EWC 17-01-01 and 17-01-07

Soil and Stones (Haz and Non-Haz)
EWC 17-05-03 and 17-05-04

Midlands Highway Alliance Plus
MHA, MSIG, WMHA: Moving Forwards Together

Recycling Highways Wastes

Asphalt Waste Containing
Coal Tar (AWCCT)
EWC 17-03-01

Non-Haz Asphalt Waste
EWC 17-03-02

The Materials - CRBM

Specifications:

SHW Cl.948 and BS9228

Designs for DMRB and evolved network
