

“The site hosts a range of helpful resources, reference documents and notes of meetings – from shared to confidential documents depending on your level of access - so make sure you and your colleagues are registered.”

<https://isp.mhaweb.org.uk/>

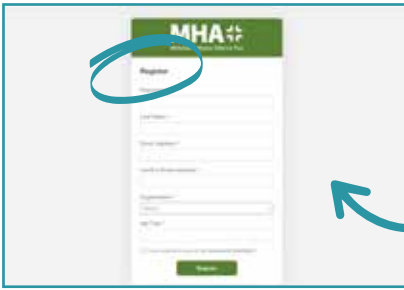

➤ Information Sharing Platform (ISP)

- The ISP has been developed to help you access MHA+ and other documentation. In addition, there is potential for you to post, comment on and download resources. Access to content is based on your personal profile and will include areas that contain shared documents, areas of specific interest to some users and more secure documents which you may also have access to.

The layout is split into shared areas and specific work streams:

- » Professional Services Partnership - PSP
- » Medium Schemes Framework - MSF
- » MHA+ Programme & Executive Boards
- » MHA Archive

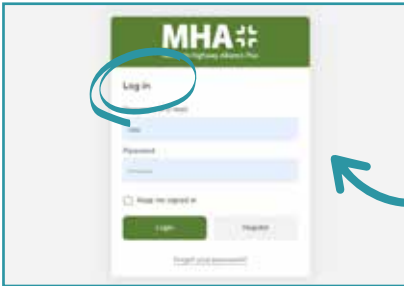

The ISP re-design is similar to the previous ISP - so should be easy to navigate. It will continue to develop and be updated with new documents, notes of meetings, information for specific user groups and our members, so click on preferences and get updates from this free site.

> Not registered?

Click on '**REGISTER**'. You will be asked to complete a form with details of where you work and your contact information.

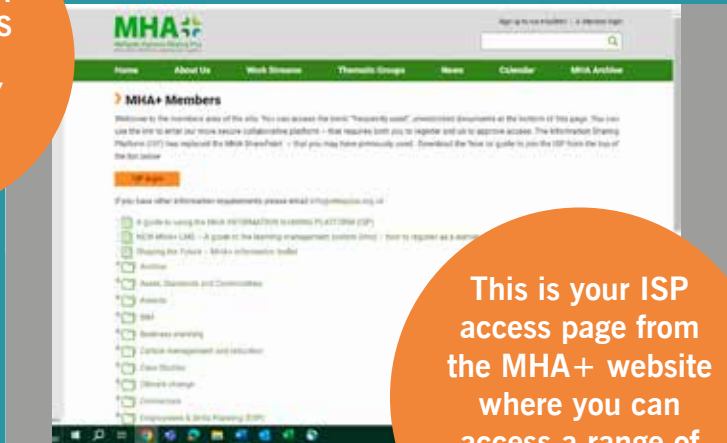

You will then be sent an email confirming your registration.

> Already registered?

On the **LOG IN** screen enter your username and password to access your account.

REGISTERING
ONLY TAKES A
FEW MINUTES
AND IS
COMPLETELY
FREE!

This is your ISP
access page from
the MHA+ website
where you can
access a range of
information that has
been posted
