Fees and Subscriptions April 2025

The level of fees will be reviewed annually by the MHA+ Executive Board, as part of its approval of the MHA+ Business Plan.

Annual Subscriptions

The subscription rate (2025/26) for all members is £3,950 per annum¹.

Framework and other fees:

- For all users of the **Medium Schemes Frameworks 3 & 4** the fees are related to the value of the work order at the start of construction which will be 0.25% with a minimum fee of £2,500 and a maximum fee of £80,000.
- For users of the **Professional Services Partnership 3 & 4** the fee is a standard 1% of the total value of work charged through the framework. This fee has been included in the rates provided by the framework suppliers. The Alliance will recover this amount by invoicing each supplier on an annual basis for 1% of the agreed value of work that has been carried out by that supplier over the financial year.
- Generally, fees for **all other activities** (e.g. commodity purchase) will be based on 10% of the predicted savings for members of MHA+ and, where appropriate, 15% for non-members.
