## ➤ Enable Learning Management System (LMS)

- The LMS has been developed to help you to access learning, training and development opportunities to support acquisition of skills, knowledge and understanding. You can access e-learning modules within this site. You can book yourself onto face to face learning and other MHA+ events - all your learning is recorded in your personal learner record.

### **E-learning modules are available on core subjects including:**

- » Introduction to the TSC
- » Introduction to the ECC
- » CDM 2015: the full picture, principles and practice
- » Introduction to the PSC
- » Content that supports CPD as well as personal development

The [learning gateway](#) is constantly undergoing development and updated with new learning opportunities - provided by the MHA+ skills community, sector partners and our members, so look on the skills community content to see other learning content.

“The site also hosts helpful resources, reference documents and links to other useful sites - so ensure you and your colleagues are registered.”

## How to register

- Click on ‘**New to Enable? Create an account**’, complete the form with your account details and select your group
- Click on ‘**REGISTER**’.

REGISTERING  
ONLY TAKES A  
FEW MINUTES  
AND IS  
COMPLETELY  
**FREE!**

This is your learner account, you can access learning, training and development opportunities here

The screenshot shows the MHA+ (Midlands Highway Alliance Plus) learner dashboard. At the top, there is a navigation bar with links for Dashboard, Learning, Awards, Groups, and Events. The main content area features four circular icons: Learning, Awards, Events, and Groups. A calendar for October 2022 is visible on the right side. At the bottom, there are links for Terms & Conditions and Help & Support. The footer includes the Virtual College logo and copyright information.

Callouts from the image:
