

Improving service delivery through critical challenge and the sharing of knowledge

‘Expanding Alliances’

Mike Ashworth

**Strategic Director
Economy, Transport & Communities**

Derbyshire County Council

Coming together is a beginning; keeping together is progress; working together is success.

Henry Ford

The Authorities

Rutland County Council

City of Stoke-on-Trent

The Task Groups

MSIG Values

- To provide support and guidance to member authorities
- To participate and contribute by sharing information, knowledge and data
- To establish common process/policy/protocol
- To explore sharing of services and joint procurement opportunities
- To share and report improvements and efficiencies realised through MSIG membership

Benefits of MSIG

- Economic benefits in terms of savings resulting from changes in practice
- Joint training opportunities – reduced cost
- MSIG Strategic Project Funded projects
- Sharing policy and guidance documents – consistency and reduced time/cost

Focus for 2016

- Closer working with other regional and national groups
- Increased commitment and participation from member authorities
- Capturing and recording benefits and value of membership
- Assisting member authorities to raise self assessment scores for incentive fund

Challenges....

Thank you
