

➤ Alliances & Sustainability

Alliances and Sustainability - Webinar Week October 2020

The 2020 virtual event **Alliances and Sustainability** was held across the week 12 - 16 October and featured a range of speakers who offered insight, advice and practical solutions to the issues currently facing our members and highlighted the new alliances we are forging, in particular the merger with MSIG and WMHA and the potential this offers all MHA Plus members.

There were 15 webinars held across the week, each on one of our five key themes. Webinar recordings (where available) can be viewed by following the links below:
