

## e-update August/September 2019

### Annual Report launches

The MHA is pleased to announce the launch of its latest 2018/19 Annual Report. The report can be [downloaded directly as a pdf here](#) or you can visit the MHA [website](#) and download this report and previous reports in the Annual Reports section of the News tab.

The report was due to be revealed at the MHA annual event, but due to a clash with another major conference some of the national speakers planned to be involved in the event are already committed (as well as a fair chunk of the potential audience).

Therefore, the event has been postponed until a later date. Taking other events, Brexit and the availability of speakers into account, June next year is now being considered as an alternative.

More information will be shared via this news bulletin on the revised date as soon as it is available
