

MHA annual event – Aspirations and Alliances

The MHA held its annual event held at the National Conference Centre in Solihull On Tuesday 11 September.

The event proved to be a great success and presented a fantastic opportunity for speakers to discuss aspirations and alliances then, now, and looking to the future.

The event featured a host of speakers including representatives of England’s Economic Heartland (EHH), CIHT, Local Government Association and HTMA.

Full presentations from the day are now available on the [Aspirations and Alliances news page](#).
